### **ENGLISH SUMMARY:**

This is the 100th issue of Sarjainfo. We proudly reprint some of the most interesting articles from our past in sincere belief that they both represent their time and are of interest and education even now. We feel that none of reprints has lost their cutting edge and stay just as interesting and entertaining as they were in their day. We have also included a long-awaited complete index of all articles and such ever printed in Sarjainfo, that will come in handy when trying to locate that certain story you almost remember.

Also in this issue - New interviews with Peter Bagge, Neil Gaiman, David Kurlander, Roger Sabin, Stephane Rosse and Heikki-Pekka Miettinen, new articles, news, reviews, questions answered and more... much more...

Thanks to the past and present we will see what awaits in the future. See you there!
